National Day Message

I have the pleasure to announce that the State of Kuwait is celebrating 55th Anniversary of its Independence and 25th Anniversary of its Liberation on 25th February 2016.

Kuwait has been the part of an early civilization since the 3rd millennium B.C. and have traded with Mesopotamian cities. At the beginning of the 18th century, the Anizah tribe of central Arabia founded Kuwait City which became an autonomous Sheikdom by 1756. Sheikh Sabah the first became the first ruler of Kuwait, and his descendants continue to rule Kuwait till today.

His Highness the Amir, Shaikh Sabah Al-Ahmad Al-Jaber Al-Sabah, has addressed the attention on many occasions to supporting the Kuwaiti economy by keeping abreast of the great economic movement that is undergoing in the world. In recognition to his remarkable acts of human kindness and generosity, the U.N. Secretary General, Ban Ki-moon awarded the honour of Humanitarian Leader to His Highness Shaikh Sabah Al-Ahmad Al-Jaber Al-Sabah in September 2014.

Kuwait and India has always enjoyed a very warm and friendly relation, which seems to have existed between the countries since the beginning. The historic trade routes, geographical location and distance between the two countries has also contributed to the continuous growth and strengthening of the relationship that both the countries share today.

The year 2012 was a landmark when for the first time the bilateral trade between the two countries crossed US\$ 10 billion mark to make an all time high of US\$ 17 billion.

The future appears to be bright and we look forward to further strengthen the cordial relations between Kuwait and India on all levels cultural, traditional and political.

Fahad Ahmad Alawadhi

Ambassador of the State of Kuwait to India
